

Afternoon showcase
session on Norwegian
partnerships
programmes and
strategies

Access to Success
Workshop
26th February 2010

Benedicte Solheim

Introduction

- Session focusing on three Norwegian governmental actions that assists in developing higher education and research within less developed countries
- The three actions:
 - The Quota Scheme
 - The NOMA Programme
 - The NUFU Programme
- The three actions are administrated by SIU, but the coordination of the use of the three actions takes place at the institutions
